# 前言

對香港的攝影記者，以至對整個新聞行業來說，過去一年可謂荆棘滿途，在經濟未見起色的情況下，面對無日無之的裁員減薪，雷厲風行的資源增值要求，同業們無不整天活在沉重的工作壓力中。

亦可能是這個原故，今年香港攝影記者協會舉辦的《前線·焦點2001》新聞攝影比賽，參賽的人數和作品數量也較去年大幅下降，今年協會收到的參賽作品共有七百六十六份，參賽人數亦只有六十九人，較去年下跌一成半，遠比以往遜色。

這些數字在在告訴大家，攝影記者行業可能正面臨萎縮，又或者是同行在不斷增加的工作壓力下，已經透不過氣，在應付每天如雪片飄來的工作指示後，已再無多餘的力氣透過鏡頭感受生活，捕捉身邊的每一刻。

在惡劣的經濟氣候之下，逆境中自強已成為很多同業經常掛在口邊的口號，但要身體力行卻又談何容易，保飯碗難，在埋頭苦幹之餘要提升自己更難！

不過，俗語有云「學如逆水行舟，不進則退」，其實放諸四海皆準，套用在新聞攝影行業亦然，在此希望同業在惡劣的工作環境下，仍能堅持對新聞攝影的熱誠和執著，將壓力變為動力，將煩惱變為樂趣！

梁文輝

香港攝影記者協會會長（2001年至2002年度）

## PREFACE

The past year was one which was undoubtedly rugged and difficult for press photographers and indeed the journalist profession. The ailing economy, together with innumerable cutbacks and sweeping demand for productivity gains, speak volumes of the ever-growing pressure on our fellow colleagues.

This may well explain why the number of entries to the ``Focus at the Front Line 2001'' Contest organized by the Hong Kong Press Photographers Association this year has dropped by 15 per cent to only 766 from 69 hopefuls.

These figures are probably worrying signs of a shrinking industry. With silver lining yet to be seen, even the highest spirits have been dampened by endless assignments and mounting job pressure day after day. Capturing the moments of life through the camera has become a precious pastime that few could afford.

Enhancing oneself in times of adversity has become the motto for the jobless and the working class alike. Mind is strong but flesh is weak. Battling to keep one's jobs amid the downturn is already difficult. To strive for excellence at the same time is simply daunting, if not impossible.

It goes without saying that rowing upstream takes twice the efforts. Staying still will only end up lagging behind. May our colleagues rise to the challenges ahead and work with commitment and tenacity as before. Turn affliction into motivation; take pressure as pleasure.

Leung Man Fai, Matthew

Chairman, Hong Kong Press Photographers Association (2001 - 2002)

某一天，在一個快將清拆的公共屋村的大廈電梯內，有這樣的對話：路人甲：「嘩，隻狗已經係度一日一夜喇，成身係咁震，真係無陰公呀。」

路人乙：「人真係衰，搬屋就扔低隻狗，又餓又凍，佢出去佢都唔願走，你荒唔係主人喺佢唔好四圍走，乖乖地坐係度咩。」

路人丙：「咁都唔算衰呀，試過有人喺阿婆係屋企坐係度等，話搬完傢俬後來接返佢，後尾就無晒影，真係陰公……」

(按：以上對白並無虛構)

**Passer-by B replied, "What a bad owner. He has moved out of the house but has ordered the dog to stay. See? The hungry and shivering dog just sits there even others tempt it with food."**

**Passer-by C joined in and said, "Even worse, some coax their elderly mothers that they would come back to pick them up to the new house after they have finished moving the furniture. But they never show up afterwards, leaving the pity old lady behind alone inside the house; KGosh!"**

多頭野兔擠在籠中，以電單車運送。  
A motorcyclist, with dozens of docile rabbits in cages tied to the rear of his vehicle, heads towards the market.

雖然當局致力打擊售賣國家所保護之動物的販商，以圖制止野生動物的買賣，但在廣州新源市場的生意依然興旺。販商大都賺到不少利錢，並能逃避執法機關的查封。

該市場是其中一個食肆店主們樂意光顧可提供特色食料的地方，以滿足越來越多南方「大款」與香港商人的胃口。至於那些受困的動物，擠壓得看來難以呼吸。牠們的臉迫壓在鐵籠邊，而四肢則伸出籠外。

「這味道很好！」一名小販說：「若你未曾試過的話，你應該一嚐。」

店主在一頭死貓旁睡覺。

A stall owner is sound asleep as a dead cat behind her lies unattended.

Despite authorities' attempts to stop the trade in state-protected animals and campaigns to discourage consumption of wildlife in general, business is booming at the Xin Yuan market in Guangzhou. The traders are making obviously a lot of money and are able to evade enforcement where it does exist.

The market is one of many places where restaurant owners stock up to cater for the palates of the curious as well as the growing number of nouveau riche in southern China and businessmen from Hong Kong.

The trapped creatures look as if they can hardly breathe, with their faces pushed against the wire mesh and limbs sticking out of the row of cages lining the huge, stinky market.

“delicious” a hawker said, “You should try it if you haven’t eaten this before.”

# 《廉租屋》Public Housing Estate

將三支掛滿衣物的晾衫竹插在窗外晾曬，居民笑稱為「三支香」。這廉租屋的特色將不會再出現在新型公屋上。

This kind of method for drying clothes is significant. The shape of the three parallel sticks was said to be alike as the Chinese incense. This significance will not be seen in any new housing estate now in Hong Kong.

七、八十年代的露天茶樓仍可在這屋村找到，但亦因屋村重建而結業。

The high tea restaurants which are the symbols of the housing estates in the 70s & 80s can still be found in this housing estate. Nonetheless, these remarkable restaurants will be closing soon due to the restructure of these estates.

房委會公屋重建計劃中指出，所有前英政府的廉租屋將於未來兩工年內全部清拆，廉租屋村將會成為香港房屋歷史的一部份。

秀茂坪亦將於2002年初完成所有清拆重建工程，這些公屋將會被重新包裝起來。過去的點滴情懷亦將因重建而慢慢溜走。

某天，我重返這片兒時成長的地方，驚覺這裡熱鬧不再，周遭的事與物正因重建而轉變中，於是趕忙拿起相機拍下這裡僅有的一切。在拍攝過程中，我發覺已流失的事物已不少，但仍慶幸自己能為這個地方記下一點兒生活片段，為廉租屋的歷史拍下一少部份的影像。

As stated in the redevelopment scheme of the Hong Kong Housing Authority, all housing estates which were built under the reign of the United Kingdom in Hong Kong will be demolished and restructured within two years. These public housing estates will therefore soon become a part of the history of Hong Kong housing. The demolition of the Sau Mau Ping Housing Estate will be completed in early 2002. This newly replaced project will be shaped with new looks and features. Those special moments reflected from the living in the old housing estate will be faded from people's mind soon.

One day, I was back to this place where I spent my childhood. Things that I have seen were very different from those of the past. The surroundings were changing due to the restructuring. I got my camera ready and in a hurry to record those still could be found at that point of time. Though some of the scenery, people and things can no more be found in the old estate. I hope I could help recording those left behind, as a record for history, and for those who have called this estate their homes.

兒童一般較貧窮，未有豐富的物質享受，只能在山坡嬉戲逐樂，但他們仍覺滿足愉快。

Children of the estates were poor and could not have a wide range of luxurious activities. Playing nearby the slopes was their ideal game.

「雖然我崩牙，但我仍要攝位搶鏡。」

“Though I've lost one tooth, I still want to be the protagonist in the photograph.”

## The Nikon F100

With The Built-in Silent Wave Motor AF-S Lenses

For Super-fast And Super-quiet Autofocus Operation

## The Nikon F100 SL

redefines professional performance

The Nikon F100 inherits many of the features of the Nikon F5 in a lighter and more compact design. Its front body, top and bottom covers are made of a magnesium alloy that is rugged and weighs only 785 grams. With five area cross-type AF sensors, the F100 offers precise and comprehensive AF coverage for shooting anything, including moving subjects. A maximum speed of up to 5 frames per second, perfectly capture focused pictures frame after frame. The camera also introduces a new 10-segment 3D Matrix metering system, which incorporates a database of more than 30,000 scenes obtained from shooting in the field. It works with the AF system linking the focus detection with exposure metering information for perfect exposures.

The Nikon F100 offers full compatibility with the Nikon system, which includes the professional AF-S Nikkor lenses. These lenses with the Nikon exclusive Silent Wave Motor, provide ultra-high speed autofocus with exceptional accuracy and super-quiet operation. The F100 brings you all the control, reliability and professional performance you need to take professional pictures. Come and visit our Nikon showroom to experience it or call 2902 9005.
